

## Malmesbury Garden Club Show August Bank Holiday 2008

The Club had an exceptionally good show in the 'new' Civic Centre Malmesbury with 86 competitors. The highlight of the show was the entries of the youngsters with their exhibits in the competitions for under 14 and under nine years. The youngest competitor was 4 years old Kate Evans who won two seconds and a third prize !

In spite of the recent poor weather Mr Les Howells once again showed he could produce outstanding flowers, fruit and vegetables and he deservedly won a total of five cups for the most awards in these sections. His magnificent entries showed that whatever the conditions dedication can overcome them. Miss Doreen Campbell won the Presidents Cup for the most awards with her handicrafts, while Mrs Louise Williams won the Handy Cup for the most awards in the Home Produce section. Best photograph in the show was won Mr David Higham, who received the Baskerville Salver. Mrs Jabbie Hewitt's Floral Art gained her the Hoskins Salver and Mrs Jackie Bartholomew won the Millennium Goblet for the best Floral Art arrangement. There were 120 exhibits of a very high standard shown by the Juniors making for very hard decisions by the judges. The imaginative designs for a new postage stamp put the current Post Office designs to shame. Seven year old Caitlin Woodman's industry in putting in 11 exhibits rewarded her with winning the Tilney Cup and ten year old Katherine Luckett who also entered 11 exhibits won the Grimes Cup. The Cup for the best exhibit in the Junior Section was won by Miss Chloe McKechnie for a beautiful dress she had made herself to attend a wedding. It was greatly admired by all the many visitors to the Show.

The Malmesbury Garden Club has a web site; [www.malmesburygardenclub.org.uk](http://www.malmesburygardenclub.org.uk) which receives 'hits' from all over the world, where many of the show exhibits will be featured.
